

Board of Health for Madison and Dane County  
**Medical Director**

*Resolution #2013-10*

Public Health—Madison and Dane County is required by Wisconsin state statute to have a licensed physician as its medical director. The Board of Health authorized the Director to enter into an agreement with Jon Temte, MD through action of the Executive Committee on March 22, 2013. The legal entity that we will need to contract with is the University of Wisconsin Medical Foundation, but there are other signatories that need to be added to the agreement.

NOW THEREFORE BE IT RESOLVED that the Board of Health for Madison and Dane County, on behalf of Public Health—Madison and Dane County is authorized to enter into an agreement with the University of Wisconsin Medical Foundation, Inc., acting on behalf of the faculty physicians in the Department of Family Medicine of the University of Wisconsin School of Medicine and Public Health at the University of Wisconsin-Madison as signatories to some or all of the agreement, with additional signatories as may be deemed necessary by legal counsel or the risk manager for the services of Jonathan Temte, MD as medical director for the term of one year beginning July 1, 2013 with automatic one-year renewals and the Director is authorized to sign the agreement.
