Re: 2802 Monroe St. (2-unit)

Dear Chris Way,

Your property at 2802 Monroe St is currently zoned Traditional Shopping Street (TSS). TSS is for buildings that have commercial space on the first floor and apartments on upper floors.

However, the buildings in the 2800 and 2900 blocks of Monroe St are currently all residential. Further, these blocks are not in the commercial areas of Monroe St.

I have asked for a Zoning Map change to convert these two blocks to Traditional Residential—Consistent 4 (TR-C4). This change will be completed by the end of the summer.

If you have questions about TSS or TR-C4, please call Heather Stouder, a planner for the City, 266-5974.

You can find the City's zoning code at <http://library.municode.com/index.aspx?clientId=50000>, Chapter 28.

If you wish to comment on this proposed legislation or testify at a public hearing about it, please let me know at district13@cityofmadison.com or call 608-259-1824. I won't know the schedule for hearings for at least two weeks.

Sincerely,

Susan A. Ellingson
