NOTICE OF PROPOSED ZONING OF PROPERTY RECENTLY ATTACHED TO THE CITY OF MADISON

The property shown on the attached map was recently attached to the City of Madison from the Town of Madison. The City of Madison is in the process of assigning zoning classifications to this property that generally closely matches the zoning that the property had in the Town of Madison prior to attachment.

The attached map shows the proposed zoning and a general description of that zoning.

The purpose of this notice is to provide information about the proposed zoning to the property owners in advance of the official zoning process. This allows the opportunity for property owners to have any questions about the zoning answered by City staff and for City staff to obtain any feedback prior to the formal zoning process.

The time for questions or comments will run until April 30, 2007. The City Clerk's Office will send out a formal public hearing notice after that.

If you have any questions about the proposed zoning, please call the City Zoning Administrator, Matt Tucker, at 266-4569 or Tim Parks, Planner, at 266-4635 or stop by our office, 7:30 a.m.-4:30 p.m. Monday through Friday, Madison Municipal Building (Lower Level), 215 Martin Luther King, Jr. Blvd., Madison, WI.
