

Board of Health for Madison and Dane County  
**Vehicle Repairs**

Resolution #2009-05

One of the vehicles operated by Public Health—Madison and Dane County (PHMDC) was rear-ended in December. We have received an insurance settlement of \$3,436.19. While the vehicle can still be driven, repairs should be made so that the pick-up can continue to be operated for several more years.

NOW THEREFORE BE IT RESOLVED that the Board of Health for Madison and Dane County, on behalf of Public Health—Madison and Dane County authorizes an amendment to the 2009 Public Health Operating Budget with the following revenue and expenditures:

UA77-54401-774100 General Equipment Repairs	\$3,436.19
UA77-78890-774100 Other Revenue (increase)	(\$3,436.19)
