402 Yosemite Trail

Madison, Wisconsin. 53705 No, do not contact me. District 19 West side Madison plan Hello. I would like to express concern about the proposal to reconnect Yosemite Court and Yosemite Trail. As a resident of Yosemite Trail for 18 years, I appreciated the fact that it was off the main arteries through the neighborhood. I felt the road was safe for my children walking and biking to school and the pool. I was not a resident before the road was redirected but am aware of the speeding and accidents which occurred. I request the joining of these two roads be removed from the proposed plan. Thank you.
