Dear Alderman Tishler,

As residents of your district and Westmorland Neighborhood for eight years, we are writing to share our intent to file a demolition approval application for the property at **3902 Winnemac Ave, Madison**. The structure is a 952 sqft, two-story home constructed in 1944. It has reached a state of advanced deterioration that makes remediation unfeasible. Our assessment revealed significant structural instability, including full-length ceiling and wall cracks, foundational shifts with seepage, and dilapidated windows. Furthermore, years of minimal maintenance and inconsistent occupancy have led to mold and pest issues that impact safety. Our goal is to revitalize this site by replacing the existing structure with a high-quality, modernized, single-family home that aligns with the character and charm of our neighborhood. We believe this project will enhance our block and benefit our community. While a specific demolition contractor and timeline have not been finalized, we would like to see this project move forward quickly. Our application for Landmarks review will be submitted by May 20, 2026. Please contact us with any questions: 615-428-0553, daleoma@gmail.com.

Sincerely,
