- Friday, October 5, 2012, please join fellow LEO's and Wisconsin Affiliates of Susan G. Komen for the Cure® to kick-off Justice for a Cure® and October Breast Cancer Awareness month at the State Capitol. (Ceremony followed by placing Komen ribbons on squad cars and then a parade of squad cars around the Capitol. Please contact Joan to register.)

Here's how you can get involved:

- Set a date for your department to participate in the Justice for a Cure® fundraiser event during the month of October.
 - Set a goal for your department. (Last year state wide we raised over \$25,000.00)
 - Round up your posse and make a contest out of it (best dressed in pink, best pink workstation, pink food day).
 - Pick your pink. Inspire department involvement through wearing pink shirts, socks, Komen ribbons/pins, ties, and other visible items to promote the cause.
 - Take pictures.
- Special gifts will be awarded to the top three fundraising departments.
- Please contact Joan for assistance on your donations, or any other questions. (608.576.5814)

Benefits of Participating

- Increased visibility in community
- Community partnerships
- Compassionate side of law enforcement

Our Vision:

A world without Breast Cancer

75% **25%**

Up to 75% of the net proceeds generated by the Affiliate stays in our service area.

The remaining income goes to the national Susan G. Komen for the Cure® Grants Program to fund research.

Komen History:

- Funding more research than any other breast cancer organization (\$685 million)
- Funding thousands of community health programs in hundreds of communities (\$1.3 billion)
- Leading advocacy efforts for access to cancer care in budget-challenged states, quality mammography standards, federal research programs.
- Expanding globally to partnerships in more than 50 countries; proposing innovative solutions to educate and screen for breast cancer in low-to-middle resource countries.

Susan G. Komen for the Cure® is the world's single largest source of nonprofit funds dedicated to conquering breast cancer at every stage – from the causes to the cures – from diagnosis to recovery – and every moment in between.
