**NOTICE OF PUBLIC HEARING  
BEFORE THE BOARD OF PUBLIC WORKS  
FOR  
PLANS, SPECIFICATIONS, AND SPECIAL ASSESSMENTS  
FOR  
PUBLIC WORKS IMPROVEMENTS  
MADISON, WISCONSIN**

**PART I**

The Common Council of the City of Madison, Wisconsin, having heretofore decided that it is expedient and necessary that the improvements as listed in Part II hereof be improved at the expense of the property thereby on which would be conferred some special benefit.

NOW, THEREFORE, NOTICE IS HEREBY GIVEN:

That the City Engineer has prepared plans, specifications, a proposed schedule of assessments, and an estimate of the entire costs of the improvement for each of the districts listed in Part II hereof, and;

That the plans, specifications, a proposed schedule of assessments, and an estimate of the entire cost of the improvements listed hereto are available and open to inspection by all interested persons in the office of the City Engineer, Room 115, City-County Building, 210 Martin Luther King Jr. Blvd., between the hours of 7:30 a.m. and 4:00 p.m., Monday through Friday, and will so continue to be for ten (10) working days from the first published date of this notice, and;

That on WEDNESDAY, MARCH 2, 2011, AT 6:30 P.M., the Board of Public Works will hold a public hearing in, POLICE DISTRICT CENTRAL COMMUNITY ROOM, GR-22, 211 SOUTH CARROLL STREET ENTRANCE TO THE CITY-COUNTY BUILDING and will consider any objections that may be filed in writing or in person and hear all persons desiring to be heard, and;

**That special assessments may be paid over an eight (8) year period or fifteen (15) year period, with the owner paying 1/8 or 1/15 of the principal each year plus two and a half (2.5%) percent interest on the unpaid balance, as determined by the Board of Public Works.**

That if the total assessment is paid in full before October 31st in the year that the billing is made, irrespective of project completion, then no interest shall be charged.

The City's TDD number is (866)-704-2315

**If you require an interpreter, materials in alternate formats, or other accommodations to access this public hearing, please contact the Engineering Division at phone (608) 266-4751. Please make contact at least 24 hours prior to the date of this public hearing so that we can make proper accommodations.**

February 18, 2011

**To: Property owners along Old Sauk Road, Dempsey Road, Olbrich Avenue, Busse Street and Clover Lane.**

**Re: Public Hearing before Board of Public Works - March 2, 2011 at 6:30 P.M.  
Police District Central Community Room, GR-22 CCB, 210 MLK Jr. Blvd. (enter form 211 S. Carroll Street), Madison, WI**

The City of Madison is proposing to replace the pavement on Old Sauk Road, Dempsey Road, Olbrich Avenue, Busse Street and Clover Lane. There will be some utility replacement with these resurfacing projects. This project involves special assessments to owners of property along the project. You are being sent this letter to notify you of the public hearing before the Board of Public Works at the above referenced date, time, and location. City Engineering will be making a presentation at the meeting, followed by the public hearing. Attached to this letter is a schedule of assessments that contains the estimated cost for each property on the project.

The limits of the proposed project are as follows:

- Old Sauk Road from Old Middleton road to North Westfield Road
- Dempsey Road from Milwaukee Street to Anchor Drive
- Olbrich Avenue from Atwood Avenue to Royster Avenue
- Clover Lane from Sargent Street to 650 feet south of Olbrich Avenue
- Busse Street form Margaret Street to the south end

**Street Improvement Details**

**Old Sauk Road:**

Sanitary sewer will be replaced from Old Middleton Road to 1000 feet west of Old Middleton Road. Curb and gutter, sidewalk, and drive aprons shall be replaced, where necessary, to facilitate the sanitary lateral replacement and water lateral installation. Curb and gutter, sidewalk, and drive aprons shall be replaced that are in poor condition, and the street will be resurfaced with asphaltic pavement. All sidewalk ramps within the project limits will be updated to assure ADA compliance. Storm sewer inlets and pipes will be replaced on an as needed basis to fix old or failing structures and pipes.

**Dempsey Road:**

Curb and gutter, sidewalk, and drive aprons shall be replaced that are in poor condition, and the street will be resurfaced with asphaltic pavement. All sidewalk ramps within the project limits will be updated to assure ADA compliance. Storm sewer inlets and pipes will be replaced on an as needed basis to fix old or failing structures and pipes.

**Olbrich Avenue:**

Sanitary sewer and water main shall be replaced from Royster Avenue to Johns Street. Curb and gutter, sidewalk, and drive aprons shall be replaced, where necessary, to facilitate the sanitary lateral replacement and water lateral installation. Curb and gutter, sidewalk, and drive aprons shall be replaced that are in poor condition, and the street will be resurfaced with asphaltic pavement. All sidewalk ramps within the project limits will be updated to assure ADA compliance. Storm sewer inlets and pipes will be replaced on an as needed basis to fix old or failing structures and pipes.

**Busse Street and Clover Lane:**

Curb and gutter, sidewalk, and drive aprons shall be replaced that are in poor condition, and the street will be resurfaced with asphaltic pavement. All sidewalk ramps within the project limits will be updated to assure ADA compliance. Storm sewer inlets and pipes will be replaced on an as needed basis to fix old or failing structures and pipes.

If you have any questions or concerns regarding the street improvements, please contact Steve Sonntag, of my staff, at [ssonntag@cityofmadison.com](mailto:ssonntag@cityofmadison.com) or 267-1997.

**Sanitary Sewer Main and Lateral Replacement**

The sanitary sewer main and laterals will be replaced on a portion of Olbrich Avenue and Old Sauk Road, the existing main will be removed and a new sewer main and laterals will be installed. Sanitary sewer laterals are owned by the property owners and it is their responsibility to maintain them. It is the City of Madison Engineering Division's policy to pay for 75% of the cost to replace sanitary laterals within the public right of way (the length of sewer lateral between the sanitary sewer main and the property line) while the property owner is assessed the remaining 25% of that cost. The estimated property owner's share of the cost for lateral replacement within the public right of way is listed on the schedule of assessments.

If you have any questions or concerns regarding the sanitary sewer replacement, please contact Elia E. Acosta, of my staff, at [eacosta@cityofmadison.com](mailto:eacosta@cityofmadison.com) or 266-4096.

**Water Main and Water Service Laterals**

The water main will be replaced only on Olbrich Avenue. The City will abandon the old main that currently serves the houses and will connect all of the properties to the new water main. The property owners will not be assessed for the new water main. If you have any questions or concerns regarding the water main replacement, please contact Peter Holmgren of the Water Utility, at [pholmgren@madisionwater.org](mailto:pholmgren@madisionwater.org) 261-5530.

**Storm Sewer**

Storm sewer inlets will be replaced or rebuilt on an as needed basis as part of this project. This work is not assessed to property owners. If you have any questions or concerns regarding the storm sewer work, please contact Elia E. Acosta, of my staff, at [eacosta@cityofmadison.com](mailto:eacosta@cityofmadison.com) or 266-4096.

**Impact on Trees and Landscaping**

Tree pruning in advance of the project is required to reduce the risk of damage to the trees during construction. The City of Madison – Forestry Section will perform the necessary work. For certain species, especially oak and elm trees, the pruning must be completed by mid-April to reduce the chance of disease.

Tree conflicts are often encountered with sanitary sewer lateral replacements. City Engineering and City Forestry have reviewed the site, and there currently are no additional tree removals planned with the project. During construction, the City will make every effort to work around and protect the trees; however, some tree impacts may not be avoidable. If, during the course of construction, it is determined that any additional trees must be removed, City Engineering will notify property owners adjacent to the tree to be removed, prior to removal.

Please note that construction will also have an impact on existing flower gardens and other plantings within the terrace on the streets where sanitary sewer and water mains are being replaced. With the nature of this work, property owners should anticipate that a minimum of 15 feet of terrace will be disturbed to allow the laterals to be installed. Any plantings or special landscaping features that an owner wishes to save from damage should be removed by the property owner from the terrace area prior to the start of construction.

**Assessments - General**

A special assessment is a special charge for work that the City is planning to complete. The attached schedule of assessments shows an estimate of the property owners' share of the project based upon the City's assessment policy. When the project is bid, and work is complete, a final assessment will be calculated based on work actually performed. The final assessment is payable in one lump sum or over a period of 8 years, with 2.5% interest charged on the unpaid balance.

**Accommodation Requests**

To request accommodations for special needs or disabilities or if you have any other questions regarding this project, please contact the Project Engineer, Steve Sonntag at [ssonntag@cityofmadison.com](mailto:ssonntag@cityofmadison.com) or 267-1997. This includes requests relating to the Public Hearing and also requests relating to the actual operations of construction.

Sincerely,

Robert F. Phillips, P.E., City Engineer
