Hello,

Your request to expand your sidewalk café for ***D'Vino, 116 King St. and Woof's, 114 King St.*** have been approved on ***6/30/20*** by the Street Vending Office. The Street Occupancy Permit to use the parking lane, stall 1207 for Woof's and the Freight Loading Zone for D'Vino has been approved on 6/30/20. You are able to begin setting up your café within the approved expansion area and serving food beginning 7/1/20.

Before you can serve alcohol in the expanded area, you will need to submit a [Temporary Premises Extension Permit application](#) to the [Clerk's Office](#). This email will serve as notification that your expansion is approved.

Once this application is submitted and approved, by the Clerk's Office, you will be able to begin service into the expanded patio area on a provisional approval and forward to the Alcohol License Review Committee for final approval recommendation. See Temporary Premises Extension permit application for insurance requirements and details.

Attached you will find a NOTICE sign. **This sign is required to be printed and displayed on the café, facing outward.** Having one on each end of the café would be preferred. I would encourage you to laminate or place in a protective plastic sheet to maintain the sign and limit the need to reprint.
