Tom-

Thank you for taking the time to speak to me regarding Turner Ave. I had taken time for over 2 mos. to collect signatures regarding "STOP" signs being placed on Turner Ave. This is about "SAFETY" of our children + residents who live on this street. (Pflaum Rd to Buckeye Rd.)

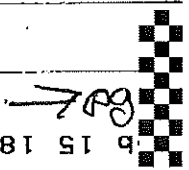

Turner as you know is a bus route also. I explained, "if a bus has to stop to collect or let off riders then place a "Stop Sign" there and everyone can stop.

Bus stops are at: Hob, Ruth + Allis". The residents agreed at Hob, Ruth but, instead of Allis Ave. (because there is a Stop Sign on Allis Ave) place it at Linda Vista Rd. Plus adding a yield on Linda Vista Rd. This has the most accidents.

When speaking with the residents, they all (with exception to 2) would like to see Stop Signs vs. Speed Bumps.

There is (5 pages) of signatures I collected.

When this is going to Public Works
and/or Common Council I would like to
attend in case I am needed for a
"voice", I would appreciate someone
letting me know. I would be there.

I can be contacted at

Thank you.
