

DAVID PAUL SCHMIEDICKE

EXPERIENCE

State Budget Director and Administrator, Wisconsin Department of Administration, Division of Executive Budget and Finance, Madison, Wisconsin (May 2001 to December 2002 and November 2003 to January 2011)

Top-level leadership responsibilities associated with developing and implementing the \$31 billion annual budget for the State of Wisconsin. Serve as lead aide to the Governor and Secretary of Administration concerning budget and policy development, capital finance issues and executive accounting responsibilities. Work with legislators, University of Wisconsin System leaders, agency secretaries and staff, and interest groups on major policy issues, long-term strategic matters, budget development issues, and operating and management concerns. Make multimedia presentations and consult with statewide and national organizations, including media outlets, regarding state budget issues. Provide strategic leadership and management direction to capital finance director, state controller, executive policy and budget managers and a professional staff of over 80 executive budget and policy analysts, executive accountants, capital finance specialists and support staff. Oversee information technology planning and project implementation related to enterprise financial and budgeting systems.

Deputy State Budget Director and Deputy Administrator, Wisconsin Department of Administration, Division of Executive Budget and Finance, Madison, Wisconsin (December 2002 to November 2003 and January 2011 to Present)

Support the State Budget Director in developing and implementing State of Wisconsin budget. Serve as operating officer of the Division of Executive Budget and Finance. Played primary role in development efforts for the 2003-05 and 2011-13 executive budgets, including tracking of fund balances, interfaces with the state's accounting and capital finance activities, and management of budget briefings and veto review process. Coordinate legislative tracking and bill analysis process. Provide day-to-day management of State Budget Office managers and staff and coordinate work efforts of Capital Finance Director and State Controller.

Secretary of State of Wisconsin Building Commission and Administrator, Wisconsin Department of Administration, Division of Facilities Development, Madison, Wisconsin (December 2000 - May 2001)

Top-level leadership responsibilities associated with the State of Wisconsin capital building program, consisting of over 2,000 active projects and biennial budget in excess of \$700 million. As Secretary of the State of Wisconsin Building Commission, worked closely with the Governor, Secretary of Administration, legislators, commission members, University of Wisconsin System leaders and state agency staff in developing the 2001-03 capital budget for consideration by the Governor and Wisconsin Legislature. Provided strategic direction to professional staff of over 80 architects, engineers, project managers and support staff.

Deputy Administrator, Wisconsin Department of Administration, Division of Facilities Development, Madison, Wisconsin (October 2000 - December 2000)

Served as deputy administrator during transition toward assuming overall responsibility for the State of Wisconsin building program. Developed the 2001-03 state building program budget for consideration by the Governor and State Building Commission. In addition, continued to address previous responsibilities associated with developing the state's overall 2001-03 biennial budget.

Executive Policy and Budget Manager, Wisconsin Department of Administration, Division of State Executive Budget and Finance, Madison, Wisconsin (June 1993 - October 2000)

High-level management and policy development responsibilities as a team leader with the Wisconsin State Budget Office. As leader of the Environmental and Commercial Resources Team directed budget and policy development and analysis associated with the Departments of Transportation, Natural Resources, Agriculture, Trade and Consumer Protection, Commerce, and Tourism, the Wisconsin Conservation Corps, and the State Fair Park. Duties included development of comprehensive biennial budget proposals, coordination of key state programs with legislators, agency staff, interest groups and local officials, and multimedia presentations of budget and policy issues to the Governor, legislators, state agency officials, local officials and the general public. Provided direct staff support to the Secretary of Administration on complex issues such as the Milwaukee East-West Transportation Corridor decision process, regional planning governance issues and construction of the Miller Park baseball stadium in Milwaukee.

Executive Policy and Budget Analyst 4, Wisconsin Department of Administration, Division of State Executive Budget and Planning, Madison, Wisconsin (October 1990 - June 1993)

Direct involvement in executive budget and policy development as an analyst with the Wisconsin State Budget Office. Responsible for analyzing complex budget and policy issues related to elementary and secondary education, including school aid formulae and education reform. Duties included participation in discussions between the Governor, legislators, state agency officials, school district officials and teacher representatives regarding major education reform legislation.

Budget and Management Analyst 4, Wisconsin Department of Transportation, Division of Planning and Budget, Madison, Wisconsin (March 1988 - September 1990)

Participated in state agency budget operations and policy development as an analyst in the Department of Transportation Budget Office. Assignments included the Division of Motor Vehicles, Division of State Patrol and the Office for Transportation Safety. Special projects included participation in the development of transportation revenue alternatives and budget strategies associated with the Corridors 2020 plan; implementation of the Federal Commercial Motor Vehicle Safety Act of 1986 (Commercial Driver's License); and analysis of real estate procurement and rest area construction procedures.
