Hello members of the ALRC,

I'm writing to share comments about the requested change to an alcohol license held by the BP gas station at 3859 East Washington Ave (in the Mayfair Park neighborhood) in my district, item 5 on your agenda tomorrow. The applicant requests a change to the condition on their license prohibiting single can/bottle sales. I'm concerned that this change makes on-site consumption of beverages more likely at or near the property. With this concern in mind, as well as concerns shared with me by East District MPD and the opposition to this change by the Mayfair Park neighborhood leaders, I do not support the request for changed conditions on the license.

Please feel free to reach out with any questions. Thank you for your service,

Derek
