

Exhibit A to Vending Resolution ID# 04538

1. Amending Section VIII., “REGULATION OF FOOD AND NON-FOOD VENDING CARTS,” Paragraph C., “Electricity,” as follows:

VIII. REGULATION OF FOOD AND NON-FOOD VENDING CARTS

C. Electricity. Sec. 9.13(6)(l)2. establishes by ordinance the rules for use of electricity for Mall/Concourse vendors. In addition, the following regulations shall apply:

1. Electrical power will be allowed only in vending sites specifically designated for electricity.
2. There shall be only one electrical connection permitted from the cart to the electricity source at the assigned pole and that connection must run through the cart's circuit breaker. Vendors shall use only their assigned outlet.
3. When using a city-owned electrical receptacle (outlet) on the Mall/Concourse, vendors shall only use those outlets specified in sec. 9.13(6)(l)2.

~~3.4.~~ The following power cord specifications are required:

Electrically safe plug cord combination, UL approved for ~~outside~~ outdoor use on a 20-amp circuit and shall be twelve (12) gauge wire minimum. It shall be approved for damp locations and hard usage, such as types SO, SJ, SC. The Attachment Plugs shall be approved for damp locations and hard usage. The end of the cord and the cord conductor termination shall be covered or encapsulated to prevent the entry of water.

~~4.5.~~ A disconnecting means shall be provided consistent with the following:

The necessary equipment consisting of a circuit breaker or switch and fuses, and their accessories, located near the point of entrance of supply conductors. The equipment shall be UL approved for 120 volts or more and interrupt at 15 amps.

2. Amending Section XIII. , “SIDEWALK CAFES AND MERCHANT VENDORS, SPECIAL REQUIREMENTS,” Paragraph C., as follows:

C. ~~Special Restrictions for Merchant Vendors Equipment and Display Units~~

In addition to the restrictions found in sec. 9.13(6)(j)1., the following standards shall apply to all merchant vendors on the State Street Mall/Capitol Concourse (Mall/Concourse):

1. General. Merchandise and any allowable graphics or signage shall be displayed in a manner in which attention to it is not focused from the street. Merchandise must be neatly displayed

2. Display units. Display units allowed in a merchant vending site shall be limited to tables or clothes racks or a combination of both, in the following dimensions:

Tables: no more than 30 inches wide and 8 feet (96 inches) long, and 29 inches high

Clothes racks: no more than 30 inches wide and 6 feet (72 inches) long and 6 feet high

The maximum number of display units that may be diplayed within the merchant vending site shall be determined by the width of the merchant vendor's storefront street frontage, as follows:

<u>Store Front Width</u>	<u>Display Units</u>
Small (24 feet or less) whichever is less	2 units or 50% of the linear footage,
Medium(25-49 feet)	3 display units
