IN RE: Agenda Item 23, Leg. File 88246: Approving request from Strand Associates to remove vegetation from drainage swale in Bowman Field adjacent to Strand property and renovate the area to increase drainage and establish native plantings. (District 14)

- This item was taken up on May 13, 2025 Habitat Stewardship Subcommittee meeting where they recommended approval to the Park Commission with the following changes:
  - An additional discussion with the adjacent school's staff on appropriate use of the area and a meeting with Madison Parks staff to identify trees that can be saved.
