Subject: Plan Commission: Support for #8 and #9

To the Plan Commission:

I support the two items on your agenda in District 13:

- 8. 29735 - Ryan Ambulance building at 915 Haywood Dr
- 9. 29872 - Demolition permit for a residence near 1018 Mound St

The property at 915 Haywood Dr is actually directly behind the Ryan Ambulance building on Park St. It is only accessible by an alley that parallels Park St, or through the Ryan parking lot. There won't be any other good developments for such an inaccessible site. I ask you to approve the Ryan Brothers' proposal.

The property at 1018 Mound St is a now vacant rental property between two Meriter buildings. I don't believe that using it as the daycare playground instead will have any effect on the neighborhood. I support the demolition permit.

Thank you.

Sue
