Committee members suggested the following:

- Educate political campaigns regarding the risks associated with absentees.
- Publicize where to find a sample ballot.
- Provide a comparison of time waiting in line for an absentee vs. time spent waiting in line at the polls.
- List frequently asked questions on the city's election website.
- Develop materials for voters that are similar to the new Election Official Guide.

3. [18091](#) Improving our recruitment of Election Officials.

Committee members suggested recruiting election officials through neighborhood associations, service clubs, Communities United, Centro Hispano, and Oscar Mayer. LEGISLATIVE UPDATE

Assembly Bill 892 (online voter registration) has been incorporated into the comprehensive election reform bill.

Assembly Bill 895 and its companion, Senate Bill 640, would bring the State of Wisconsin into compliance with the federal MOVE act, allow online voter registration, allow anyone to request absentee ballots on a permanent basis, reimburse municipalities for permanent absentee postage, allow alternate absentee voting sites, restrict voter challenges to county residents, and allow municipalities to use poll workers who reside anywhere in the county.
