DEMOLITION HISTORIC VALUE REVIEW

2. [87632](#) 1522 Waunona Way (District 14): Consideration of a demolition permit to demolish a single-family residence.

A motion was made by Morrison, seconded by Arnesen, to recommend a finding of (c) no known historic value; and that the site has archaeological potential as a Native American camp site. There are no previously identified human burials on this site, but as the location of long-term human habitation, the property owner should proceed with caution and halt any ground-disturbing activity if there is an inadvertent discovery of human remains. The motion passed by voice vote/other.
