Subject: 33. Legislative File No. 80605

Hello!

I will be proposing to amend item 33. Legislative File No. 80605 to revert back to the transportation commission recommendations to "approval of the plans and specs, but that the widened sidewalk be constructed along Mineral Point Road with a width of 8 to 10 feet with the exception of the length along Nautilus Park, until the City can provide another adequate facility at the park"

Thanks,
Yvette

Council VP Alder Yvette Figueroa Cole (she/her/hers/ella)
