Pedestrian-Bicycle Projects Sought

The Madison Pedestrian/Bicycle/Motor Vehicle Commission will hold a public hearing to receive comments on potential pedestrian and bicycle projects the City should consider undertaking in the 2018-2020 Capital Budgets to increase opportunities for walking and bicycling in Madison.

The intent of the public hearing is to hear suggestions for new capital (construction) projects. Please note that concerns about routine maintenance and operational issues can be directed to the appropriate agency via the City's Report-a-Problem webpage

<http://www.cityofmadison.com/reportaproblem>.

The hearing will be held at 5:30 p.m. on Tuesday, July 25, 2017, in Room 201 of the City County Building, 210 Martin Luther King Jr. Boulevard. NOTE: If you need an interpreter, materials in alternate formats or other accommodations to access this meeting, please contact the Traffic Engineering Division at 608-266-4761. Please do so no later than 9:00 a.m. on the Thursday preceding the meeting so that proper arrangements can be made.

Written comments will also be accepted through Monday, August 7th, 2017, and should be addressed to the Pedestrian/Bicycle/Motor Vehicle Commission, c/o City Traffic Engineering Division, PO Box 2986, Madison WI 53701-2986, or emailed to traffic@cityofmadison.com.

The results of the public hearing and written comments will be used to develop a list of projects to be considered for inclusion in the 2018-2020 construction work program.
