Subject: [External] Old FRED subdivision resolution

Gents,

We have been keeping the original resolution – 54405 – for the preliminary plat of FRED Maple Grove Drive Subdivision in referral at your request since the Plan Commission recommended approval of it on March 11, 2019. With the pending approval of the new resolution – 57120 – for the revised preliminary and final plat headed to the Common Council next Tuesday for approval, is it okay for 54405 to be placed on file? Please let me know so that we may proceed accordingly.

Many thanks!
TIM
