

To Whom It May Concern:

My name is Heather Servais and I am Monroe Street resident writing in support of a liquor license for the new BBQ restaurant, Double S.

I have recently returned to Madison after 16 years of living overseas. I chose to live in the Monroe Street area because of all of the small businesses, independent cafes and great restaurants and bars. Most of the businesses that I frequent are either an easy walk or bike ride away. As such, I fully support the addition of Double S, with a liquor license, to my neighbourhood.

I already enjoy Crescendo, Barriques and Collectivo for my morning coffee. Pacquals and New Orleans Take Out are easy to stop in at on the way home in the evening. Brassiere V, Brocochs and Pizza Brutta are great for a night out. I am really hoping to soon add Double S with its liquor license to the mix!

Thank you in advance for your consideration.

Kind regards,

Heather Servais
