Hello Mr. Verbick. I was given your email and told that you are a contact person at the city regarding ZuZu's Cafe's hope to have music and dancing events occasionally. I live down the street and think that their events are a really great thing for the community. I can't think of a downside, and it brings the community together for these fun activities. I am fully supportive. I'm not sure what else would be useful for you to know, but please contact me if you have any questions or if there's any other way, I can help with the application.

Sincerely,

David Kiefer
