I write to offer support for Marie's Soul Food application for a liquor/beer license. There was an unsigned memo taped in the entry of every building of Clarendon Apts on Monroe St. Clarendon is directly across the street from Marie's. The tone of the unsigned memo has clear racist insinuations, suggesting that Marie's attracts "gangstas" and blames Marie's for noise and drunken behavior which comes from the student housing next to Marie's.

I called the City Clerk's office this morning to report this unsigned memo placed all over the Clarendon. I was told that the concern would be relayed to the committee members so they could be aware of it.

I thank you for your service.
