To Whom It May Concern:

Yesterday I visited with Mr. Lee, owner of the Oriental Food Mart to inform him about today's discussion about parking on S. Park St. at the Transportation Commission. He asked me to pass this letter along to the commission on his behalf.

Mr. Lee cannot attend the meeting today because he will be working at his store. In addition, I was unable to explain to him the possibility of asking for a translator without a translator. It would be pointless for him to attend without a Korean translator.

Please post Mr. Lee's handwritten letter to Legistar.

Thanks, Carrie Rothburd
