Here are a few cities to look at. You will see that most are focused on 4K. I also have a contact at Ounce of Prevention that I will follow up with to discuss other possibilities.

- San Antonio: <http://www.sanantonio.gov/Pre-K4SanAntonio.aspx> San Antonio, while focused more on preschool, has been targeting the b-5 space with their initiatives
- Denver: www.dpp.org Denver passed a city tax to implement universal preschool
- Philadelphia: <http://planphilly.com/rfps/rfq-for-early-childhood-education-outreach-manager> RFP for a community process to inform their plan.
