Good afternoon,

I am writing to express my support and recommendation for Sabrina Madison. Sabrina has demonstrated a consistent level of dedication, commitment and leadership for well over the past decade.

She is innovative and brilliant in her approach to creating change and progress through empowerment, education and development. She asks the right questions, leads from an framework of love and ethics, and executes. Sabrina is not shy about asking for help and resources to achieve results and is both gifted and skilled at creating community through uplifting the talents, expertise and interests of the people of the community. Sabrina never stops learning and will always pursue the challenge of creating the community and culture that we dream about.

I am excited to see the tremendous impact that she will have on this community at Alder for district 17. Her interest in leading the community in this way is a gift that the City of Madison has been asking for. I am so glad that she is enthusiastically answering that call.

Thank you

Keena Atkinson
