

Proposed Energy and Carbon Goals Resolution

Formatted: Font color: Auto

Fiscal Note: ~~This resolution would authorize up to \$250,000 in re-allocated funding to develop a plan for city operations to achieve goals of 100% renewable energy and net-zero carbon emissions. Funding would be used for third-party expertise required to develop a plan. Funds dedicated to "Sustainability Improvements" in the adopted 2017 Capital Budget are already available for this purpose. No funds required.~~

Formatted: Line spacing: Multiple 1.08 li

Formatted: Font color: Auto

WHEREAS, the scientific consensus demands we limit global temperature increases below 1.5 to 2 degrees Celsius to avoid the most destructive and dangerous effects of climate change;

Formatted: Font: Times New Roman, 12 pt, Font color: Auto

WHEREAS, existing ~~City of Madison~~ energy and carbon goals were created before the 2015 United Nations Climate Change Conference, or COP 21, where 174 countries developed even more aggressive global targets that have since been ratified by the United States;

Formatted: Font color: Auto

WHEREAS, the Common Council has directed the Sustainable Madison Committee to "Create a working group of the Sustainable Madison Committee that includes other community stakeholders to review the City's climate change goals and update if needed";

Formatted: Font color: Auto

WHEREAS, the "Energy and Carbon Working Group" has received public testimony, consulted with a variety of experts and identified ambitious and common sense goals during five working group sessions from July through November 2016;

Formatted: Font color: Auto

WHEREAS, the 2017 Capital Budget includes \$750,000 directed toward "Sustainability Improvements" including renewable energy installations and energy efficiency improvements;

WHEREAS, the City of Madison aims to lead by example in the community, the state, and across the nation.

Formatted: Font color: Auto

THEREFORE, BE IT RESOLVED, by the Common Council of the City of Madison that: The Sustainable Madison Plan must reflect scientific consensus and community aspirations and establish community-wide Energy and Carbon goals of 100% renewable energy and net-zero carbon emissions, within a time-frame that aligns with sound and established science, as the official energy and carbon goals of the city ~~City of Madison~~ ~~replacing goals generated in 2011 existing Sustainable Madison Plan energy and carbon goals;~~

Formatted: Font color: Auto

BE IT FURTHER RESOLVED, by the Common Council of the City of Madison that: by January 2018, city ~~City administrators staff~~ will develop, ~~by June December 2017,~~ a plan for City of Madison operations to achieve 100% renewable energy and net-zero carbon emissions ~~energy and carbon goals no later than December 2030~~ ~~at the earliest possible date as determined after staff review, that~~ which include ess ~~incremental~~ ~~target dates for reaching of the overall~~ ~~these -goals and,~~ incremental ~~interim~~ benchmarks ~~milestones,~~ together with budget estimates, and estimated financial impacts lications;

BE IT FURTHER RESOLVED, by the Common Council of the City of Madison that: ~~city~~ City administrators ~~staff~~ will report on progress of City of Madison operations toward achieving goals to the Common Council in January ~~2018-2019~~ and annually thereafter;

Formatted: Font color: Auto

BE IT FINALLY RESOLVED, by the Common Council of the City of Madison that: ~~city~~ The Sustainable Madison Committee ~~administrators~~ will review and, ~~if necessary~~, update ~~progress toward reaching~~ community-wide goals ~~as scientific knowledge, technological advances, and public health needs require~~ in January 2019 and biannually thereafter.
