Dear Mr. Tao,

Among the conditions of the Class B Beer and Class C Wine license for 329 W Mifflin Street is a requirement that you provide a full working menu to the Alcohol License Review Committee prior to their regular November 26, 2012 meeting (this meeting was originally scheduled for November 21, 2012).

We do not show that you have submitted a full working menu as of this time. You may submit via mail or email to the addresses on the letterhead above.

If you fail to provide the required menu prior to the meeting, the committee will have an opportunity to discuss its omission at the November 26, 2012 meeting.

Thank you for addressing this matter. I am enclosing the list of license conditions for your review.
