To Whom it May Concern:

I am writing to express my support for Rosa Burdick's proposed hair salon in her home on Colorado Court in Madison.

Rosa has been my hair stylist for over 10 years, and I am excited that she wants to start her own business in our neighborhood. Rosa's salon will be a valuable addition to our Northside community. Due to the small size of the salon, I do not believe that there will be enough additional traffic in the neighborhood to disrupt the immediate neighbors. I plan to walk or bicycle to the salon, and I expect that as her reputation on the north side grows, others in the neighborhood will also patronize her business and also walk or bicycle.

Please approve Rosa Burdick's application for her salon at Colorado Court. If you have any questions, please do not hesitate to contact me at 608-513-7815

Sincerely yours,

Wendy Murkve
