Thanks Maggie, I'm trying to register and don't see the agenda number. Do you know what it is?

"I live nextdoor to Wilson's in the Cornerstone building and my balcony overlooks the parking lot. Last night I woke up just before 1am to drunken screaming, arguing, and swearing that occured for about 20 minutes. Unfortunately this is not the only time something like this has happened. I need to oppose the idea of Wilson's expanding a patio until they can see that these sorts of things stop happening with clientele. Myself and my neighbors rent in a smoke free building and I'd also like to be on my patio without cigarette smoke exposure that already occurs from the current patio. "

I'd be happy to have these comments submitted. Thanks,  
Carla Eichinger

Hi,

I just recieved notice of public hearing for the Wilson's Bar and Grill patio expansion. Is there a best way to voice or write concerns about this or have them taken into consideration? I don't see a link to the public meeting.

Thanks,

Carla
