RE: Consideration of a conditional use in the Traditional Employment (TE) District to allow general retail, restaurant-tavern, reception hall, and arts/technical/trade school uses in a tenant space of a multi-tenant commercial building at 931 East Main Street. (ID [73120](#), LNDUSE-2022-00068)

Dear Jeff Gleiter:

On October 3, 2022, the Plan Commission found the standards met and **conditionally approved** your conditional use for 931 East Main Street. In order to receive final approval of the conditional use and for any other permits that may need to be issued for your project, the following conditions shall be met:

Please contact Jacob Moskowitz, Assistant Zoning Administrator at (608) 266-4560 if you have any questions regarding the following two (2) items:

1. Maximum capacity to be established by the Director of the Building Inspection Division, not to exceed the number of available seats, plus staff, plus a reasonable number of people waiting for seats. Final bicycle and car parking requirements will be based on this capacity.
2. Restaurant-Taverns shall not hold an entertainment license under Sec. 38.06(11).

Please contact Tim Troester of City Engineering Division at (608) 267-1995 if you have any questions regarding the following one (1) item:

3. This site appears to be a mixed use building where one or more users will be subject to restaurant class sanitary sewer rates. It is recommended to have tenants with a commercial kitchen separately metered or sub-metered so the entire building is not subjected to the higher sewer rates. Additionally, please note these users will be required to submit proof of maintenance for their grease trap(s) to the City on an annual basis. Instructions will be provided when a Food and Drink permit is obtained from the Department of Public Health. If you have questions on the restaurant class sewer charges or grease trap maintenance, please contact Megan Eberhardt at Meberhardt@cityofmadison.com or 608-266-6432.

Please contact Julius Smith of the City Engineering Division – Mapping Section at (608) 264-9276 if you have any questions regarding the following one (1) item:

4. Revise the site plan removing the references to the lease area in Railroad Street. Those leases have been terminated and place a note that the area is subject to an Encroachment Agreement per Document No 5564564.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining your conditional use:

1. After the plans have been revised per the above conditions, please submit one (1) complete digital plan set in PDF format and any other supporting materials that are necessary, as specified in this letter to sprapplications@cityofmadison.com (note: A 20MB email limit applies and multiple transmittals may be required). The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.
2. A check for the site plan review fee shall be mailed to the City of Madison Building Inspection Division; PO Box 2984; Madison, WI 53701-2984.
3. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
4. The conditional use approval is valid for one (1) year from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.
5. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 243-0554 or lmcnabola@cityofmadison.com.

Sincerely,

Lisa McNabola
Planner

cc: Jenny Kirchgatter, Asst. Zoning Administrator
Julius Smith, Mapping Section
Tim Troester, Engineering Division

I hereby acknowledge that I understand and will comply with the above conditions of approval for conditional uses.
