**Subject:** Re: 1437 Morrison

Kevin,

I am writing in support of plan commission approval for the demolition and reconstruction of the Bertram home at 1437 Morrison. My husband and I recently purchased the home at [REDACTED] Morrison Street and are currently undergoing renovations to that home which required a variance, so we are familiar with the new zoning code.

I have reviewed the plans for the Bertram project, believe them to be consistent with the new zoning code, and wish to voice support for the project. Thank you for your consideration.

Sincerely,

Susan Parsons  
[REDACTED]
