Dear Board of Public Works, Board of Estimates and Common Council of Madison,

The homeowners directly affected by this reconstruction would like to bring to your attention our opposition to the items listed in the petition below. We feel that they are an unnecessary burden on us in both costs and encroachment on our land. We understand the roads and sewer need replacement and are in agreement with this. However, we feel the additional items are in favor of those living outside this neighborhood/community and not those within it. Please take us into consideration when making final decisions on this project.

**PETITION** to the Board of Public Works, Board of Estimates, Common Council of Madison, Wisconsin

We the undersigned respectfully state our opposition to the proposed reconstruction of Davies and Dempsey Street

We petition this body to:

1. Reject the proposal to include a 10-ft wide asphalt off-street, shared-use side path on the westerly side of the road.
2. Reject the proposal to include a 5-ft concrete sidewalk on the easterly side of the road.
