RE: Legistar ID 86731; Accela 'LNDUSE-2025-00004' -- Approval of demolition permit at 6213 Countryside Lane

Dear Brent Montry:

At its February 17 meeting, the Plan Commission, meeting in regular session, found the standards met and approved your request for a demolition permit to raze a single-family residence at 6213 Countryside Lane. In order to receive final approval of your request, and for any other permits that may need to be issued for your project, the following conditions shall be met:

**Please contact Jenny Kirchgatter, Assistant Zoning Administrator at (608) 266-4429 if you have any questions regarding the following two (2) items:**

1. Section 28.185(9)(b) requires that every applicant for a demolition or removal approval that requires approval by the Plan Commission is required to get a Reuse and Recycling Plan approved by the City Recycling Coordinator, Bryan Johnson at [streets@cityofmadison.com](mailto:streets@cityofmadison.com) prior to receiving a raze permit. Every person who is required to submit a reuse and recycling plan pursuant to Section 28.185(9)(b) shall submit documents showing compliance with the plan within sixty (60) days of completion of demolition. A demolition or removal permit is valid for two (2) years from the date of the Plan Commission approval.
2. Approval of the demolition will require the removal of all structures including the principal building, accessory garage, and driveway. Disturbed areas shall be graded and seeded or sod planted to minimize erosion.

**Please contact Tim Troester of the City Engineering Division at (608) 267-1995 if you have any questions regarding the following one (1) item:**

3. Obtain a permanent sewer plug permit for each existing sanitary sewer lateral serving a property that is not to be reused and a temporary sewer plug permit for each sewer lateral that is to be reused by the development. The procedures and fee schedule is available online at <http://www.cityofmadison.com/engineering/permits.cfm>. (MGO CH 35.02(14))

**Please contact Matt Hamilton of the Fire Department at (608) 266-4457 if you have any questions regarding the following one (1) item:**

4. Please consider allowing Madison Fire Dept. to conduct training sequences prior to demolition. Contact MFD Training Division to discuss possibilities: Division Chief Ron Blumer at [rblumer@cityofmadison.com](mailto:rblumer@cityofmadison.com) or (608) 266-4198.

**Please contact Jeff Belshaw of the Water Utility at (608) 261-9835 if you have any questions regarding the following one (1) item:**

5. A private well may have served this parcel prior to the municipal water service connection. Any remaining unused/unpermitted private wells existing on this parcel must be properly abandoned according to Wisconsin Administrative Code NR 812 and Madison General Ordinance 13.21 prior to the demolition of the property. Please contact water utility staff at (608) 266-4654 to schedule an on-site private well survey prior to demolition, otherwise for additional information regarding well abandonment procedures and potential well abandonment reimbursement programs. The Madison Water Utility shall be notified to remove the water meter at least two working days prior to demolition. Contact the Water Utility Meter Department at (608) 266-4765 to schedule the meter removal appointment.

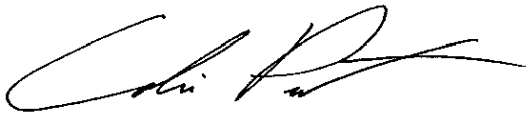

**Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.**

**Please now follow the procedures listed below for obtaining your demolition:**

1. After the plans have been revised per the above conditions, please **one (1) complete digital plan set in PDF format** of complete, fully dimensioned, and to-scale plans; the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code; and any other documentation requested herein to the Zoning Administrator at [SPRapplications@cityofmadison.com](mailto:SPRapplications@cityofmadison.com). (Note that that an individual email cannot exceed 20MB and it is the responsibility of the applicant to present files in a manner that can be accepted. Please email [zoning@cityofmadison.com](mailto:zoning@cityofmadison.com) regarding questions or if you need alternative filing options) The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
3. A demolition or removal permit is valid for two (2) years from the date of the Plan Commission. Where the plans have not been altered since issuance of the demolition or removal permit and the permit has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to one (1) year from the expiration date.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,
