

## **PUBLIC NOTICE**

Wisconsin Independent Network (WIN) will be extending its fiber optic network within the City of Madison during the months of June through September 2010. This work is being done in order to enhance existing facilities in the Madison Area.

There will be a public hearing, before the City of Madison Board of Public Works, on Wednesday, June 2, 2009 at 5:30 p.m. in Room 108 of the City-County Building, 210 Martin Luther King Jr. Blvd., Madison, WI.

Cable installation contractors hired by WIN will install buried fiber optic cable within the roadway limits at the following location:

1. Beginning in existing USSignal splice at MG&E pole on the north side of W Beltline Hwy across from 1802 Danbury St, heading south on the west side of Danbury St for 650' then heading east on the south side of Sheffield Rd (in front of 4241 Sheffield Rd) 560' to the intersection of Sheffield Rd and S Seminole Hwy heading south on the west side of S Seminole Hwy (front of 2002 S Seminole Hwy) for 1,760' to the City of Madison City Limits, crossing Milford Rd, Windflower Way, Lilac Ln, Daisy Dr, and Clover Ct.

The fiber cable will be directional bored and placed in the public ROW.

Restoration of any damage within the limits of the road right-of-way will be completed in accordance with the City of Madison's standard specifications. All damaged sidewalk slabs will be replaced with 5" lift concrete. All damage done to grass between sidewalk and curb will be restored with a four inch covering of black dirt and seed. All restoration required within the traveled portion of the roadway will also be completed in accordance with the City of Madison's standard specifications.

If any persons have additional questions or concerns regarding this project please call Loren Lamphear of WIN at 608-217-8885 or the City of Madison Civil Engineer III, LeAnne Hannan at 608-266-4057.
