# Business Plan

Marie's Soul Food is a beloved establishment in Madison, WI, known for its delicious and comforting meals that bring a taste of home to the community. With a strong following of loyal customers, the business is now seeking to enhance the dining experience by obtaining a liquor license. This strategic move will not only add value to the overall customer experience but also attract new patrons looking for a unique and vibrant dining atmosphere. By offering a selection of beverages that complement the soulful cuisine, Marie's Soul Food aims to continue providing a one-of-a-kind dining experience that keeps customers coming back for more.
