

Edgewater Referral Motion – Item #61

The Common Council hereby refers the appeal by the Hammes Company of the Landmarks Commission decision for the Edgewater redevelopment to the February 23rd Common Council meeting following project deliberations and recommendations on the project being made by the Urban Design Commission to the Plan Commission and a recommendation being made by the Plan Commission to the Common Council by February 23, 2010. Additionally, the Common Council supports the rehabilitation of the 1940s building and redevelopment of the Edgewater site as a whole.
