Thanks, Ledell. We will make sure ALRC gets this from here.

Hi Mark,

Ok...as a minimum, let's go for the following condition on Kabul's license:

- No more than two entertainment events per month shall be held and must be scheduled at least one week in advance. The police shall be notified at least one week in advance of each scheduled event.

Anything else I need to do to be sure this is acted on?

Thanks.

I think that given the recent incidents, they are needed and could be used as a starting point for this license.

The committee could ask for a review, if they choose to grant, of this license in 6-8 months.

Hi Carl,

I'm looking at requesting the following condition on Kabul's entertainment license:

- No more than two entertainment events per month shall be held and must be scheduled at least one week in advance. The police shall be notified at least one week in advance of each scheduled event.

Thoughts? Do you think any other conditions are needed?

Thanks.

Ledell
