To whom it may concern:

Good Shepherd Evangelical Lutheran Church is requesting a conditional use permit for our parking lot located at 5701 Raymond Rd., Madison, WI to be used on Monday evenings, Thursdays over the lunch hour and on four Saturdays each year during the day as a location for our food cart to distribute pay-what-you-can meals and fresh produce. The food cart, known as the Holy COW, will be parked out of the regular flow of traffic in the parking lot and space will be given for the safe congregation of people coming to the cart.

If there are any questions or concerns about where the food cart may be parked or any safety concerns, please contact Rick Thomas at: 608-271-6633 or rthomas@gslcwi.com.

Sincerely,

Rick Thomas
