“MGE is partnering with WEC Energy Group to build two large solar projects. We plan to seek regulatory approval this year. We expect MGE’s ownership share to be at least 50 megawatts, or enough to serve 16,500 households.”

-Jeff Keebler, CEO MGE, 2/19/2018

# PROJECT STATUS UPDATE

Task 1:  
Kick-off  
Meeting

August -- complete
