# *Housing* **FORWARD**

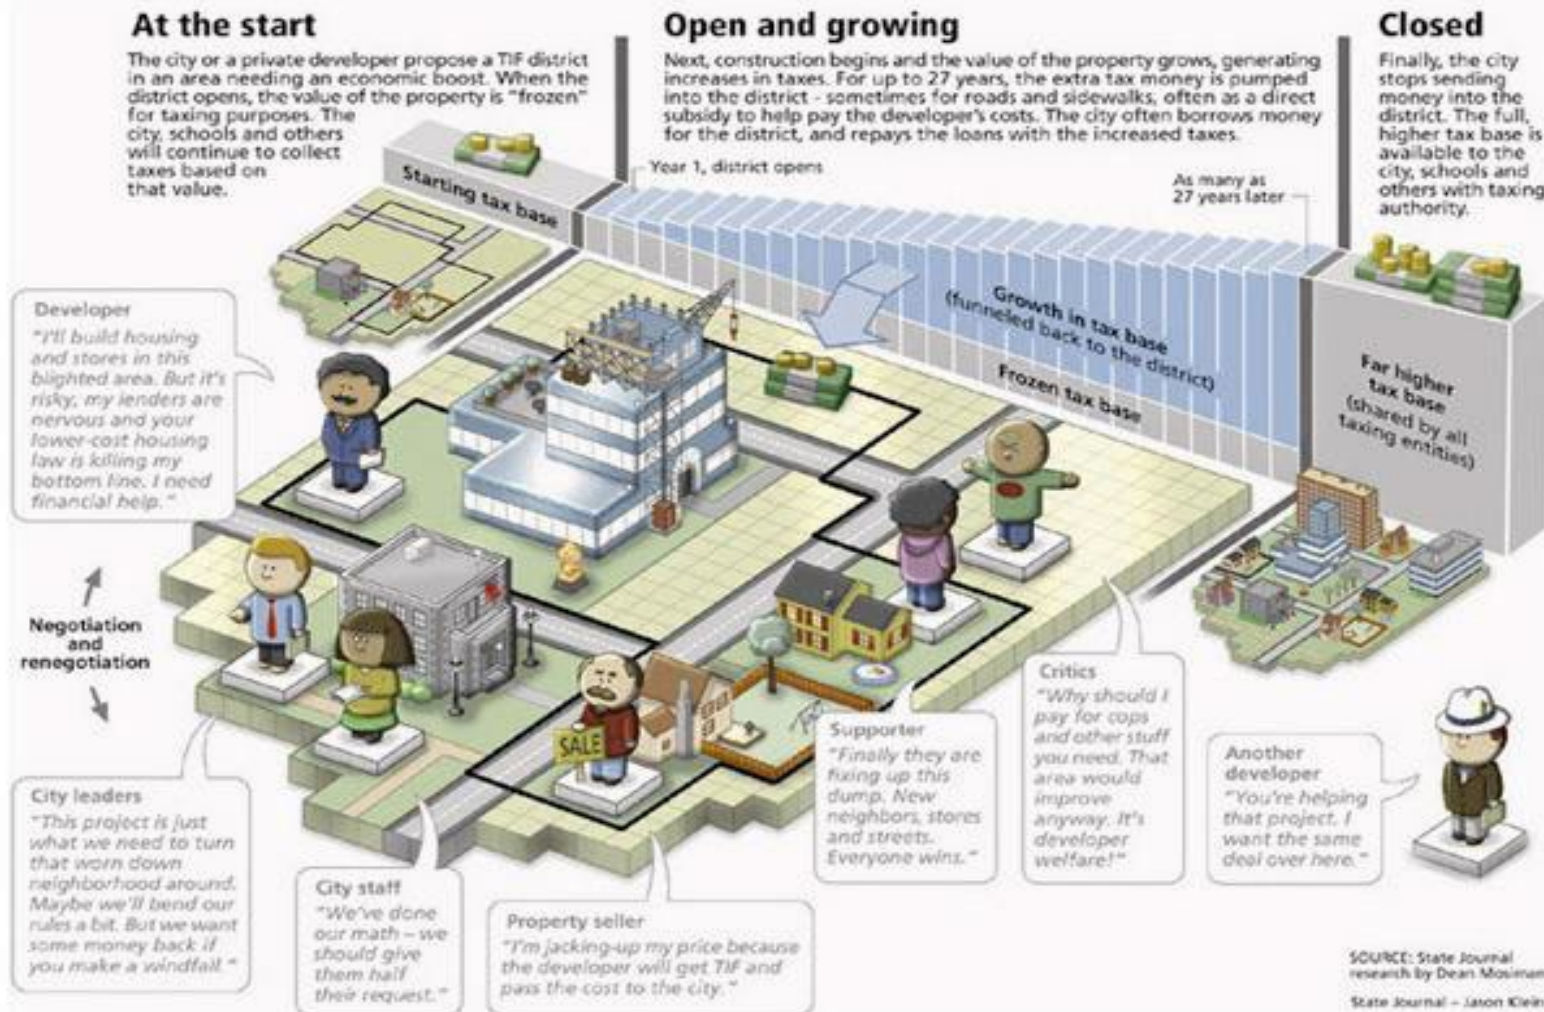

## **#2** Create Affordable Housing Throughout the City

- Explore changes to TIF policy to further support affordable housing & affordable homeownership
- Continue strategic land purchases to add more affordable housing
- Initiate redevelopment projects bringing hundreds of new affordable homes near Bus Rapid Transit

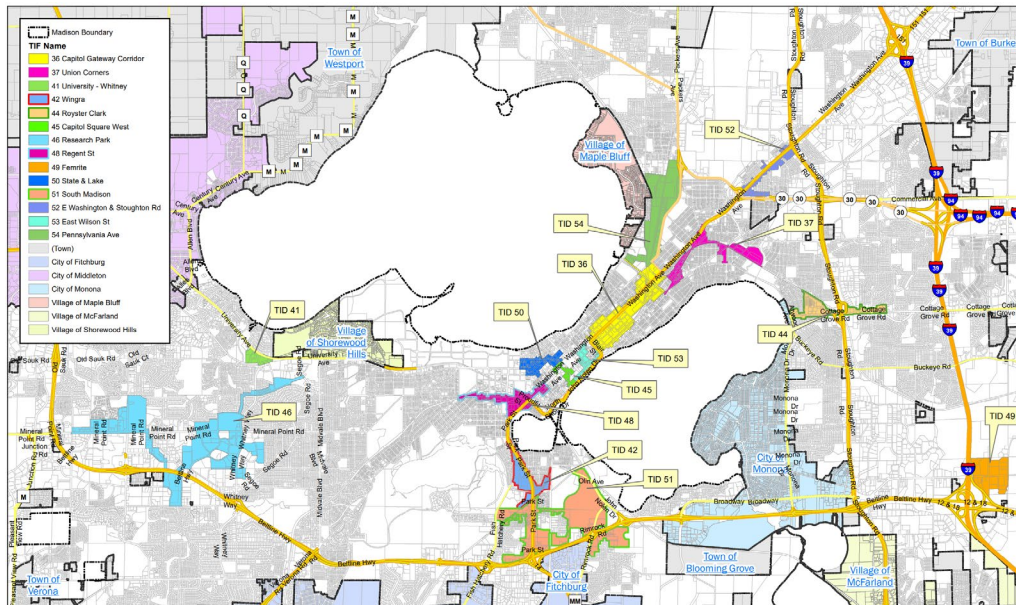

# What is Tax Increment Financing (TIF)?

# What is Tax Increment Financing (TIF)?

- Municipal tool to fund *public improvements & other eligible costs*
- Reimbursed by taxes on *increased property value* in Tax Increment District (TID)
- Promotes (re)development, jobs, & tax base growth *that would not otherwise occur*

# What is Land banking?

- Strategic use of city-owned land
- Furthers community goals either directly or through public-private partnerships
- Often funded with TIF or coordinated with TIF

# Example - Capitol East District

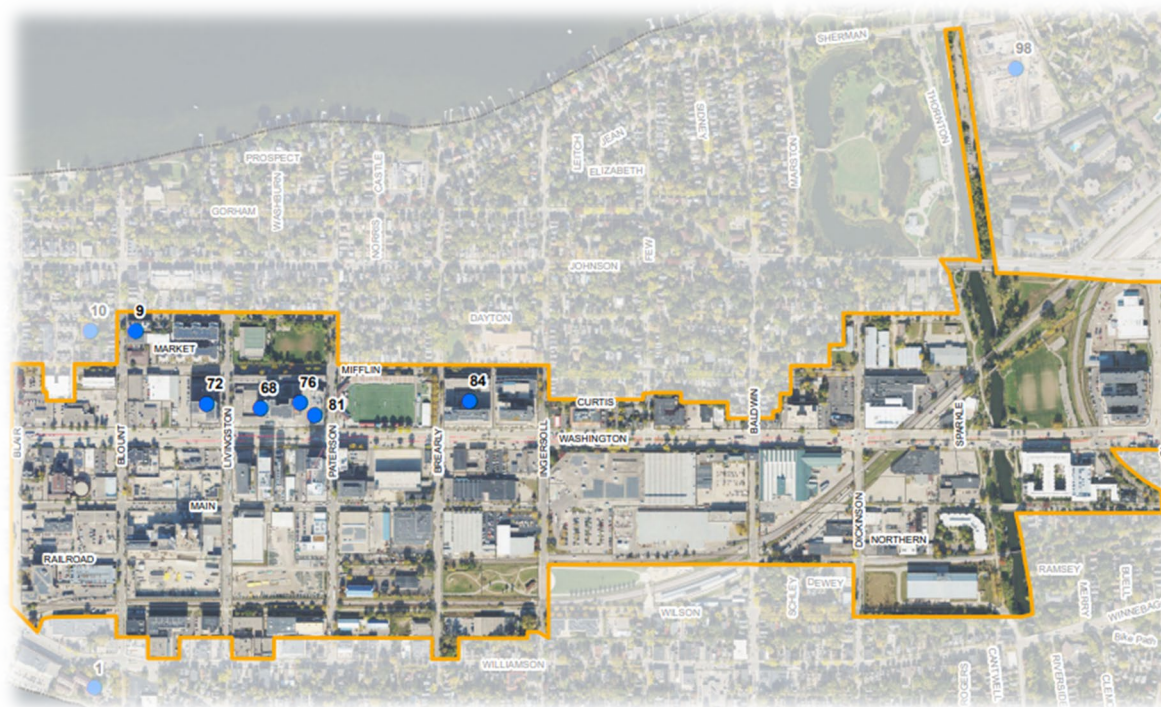

## Since 2005 TID 36 creation...

- \$57M in direct TIF Expense (plus \$63 M donation)
- 8-fold value increase (\$93 M to \$779 M)
- \$1 TIF = \$12 Value

## Since 2011 Land banking...

- 1,870 Market Rate Homes
- 149 Affordable Homes
- 830 K sq ft Commercial Space
- 560 Hotel Rooms

# 2024 TIF Expenditures Summary

# Housing-Related Considerations – Big Picture

- TIF relies on **increasing property value**, complicating support for affordable housing
- **Limited lifespan** makes *proactive* TIF risky
- Land banking for redevelopment must be strategic – **highly resource intensive**
