Subject: Stoughton Rd comments

All-

The Stoughton Rd plan is interesting and offers lots of important/useful recommendations, but I am concerned about that the Gateway section will follow suburban development principles if WisDOT decides to construct a interchange flyover at Hwy 51 and the Beltline. It is a state highway but I would advocate for a strong statement from UDC in support of connectivity and urbanism, especially at this key intersection.

Sorry I couldn't join you.

Best
Marsha
