

New Council website: Individual Alder pages

Home page

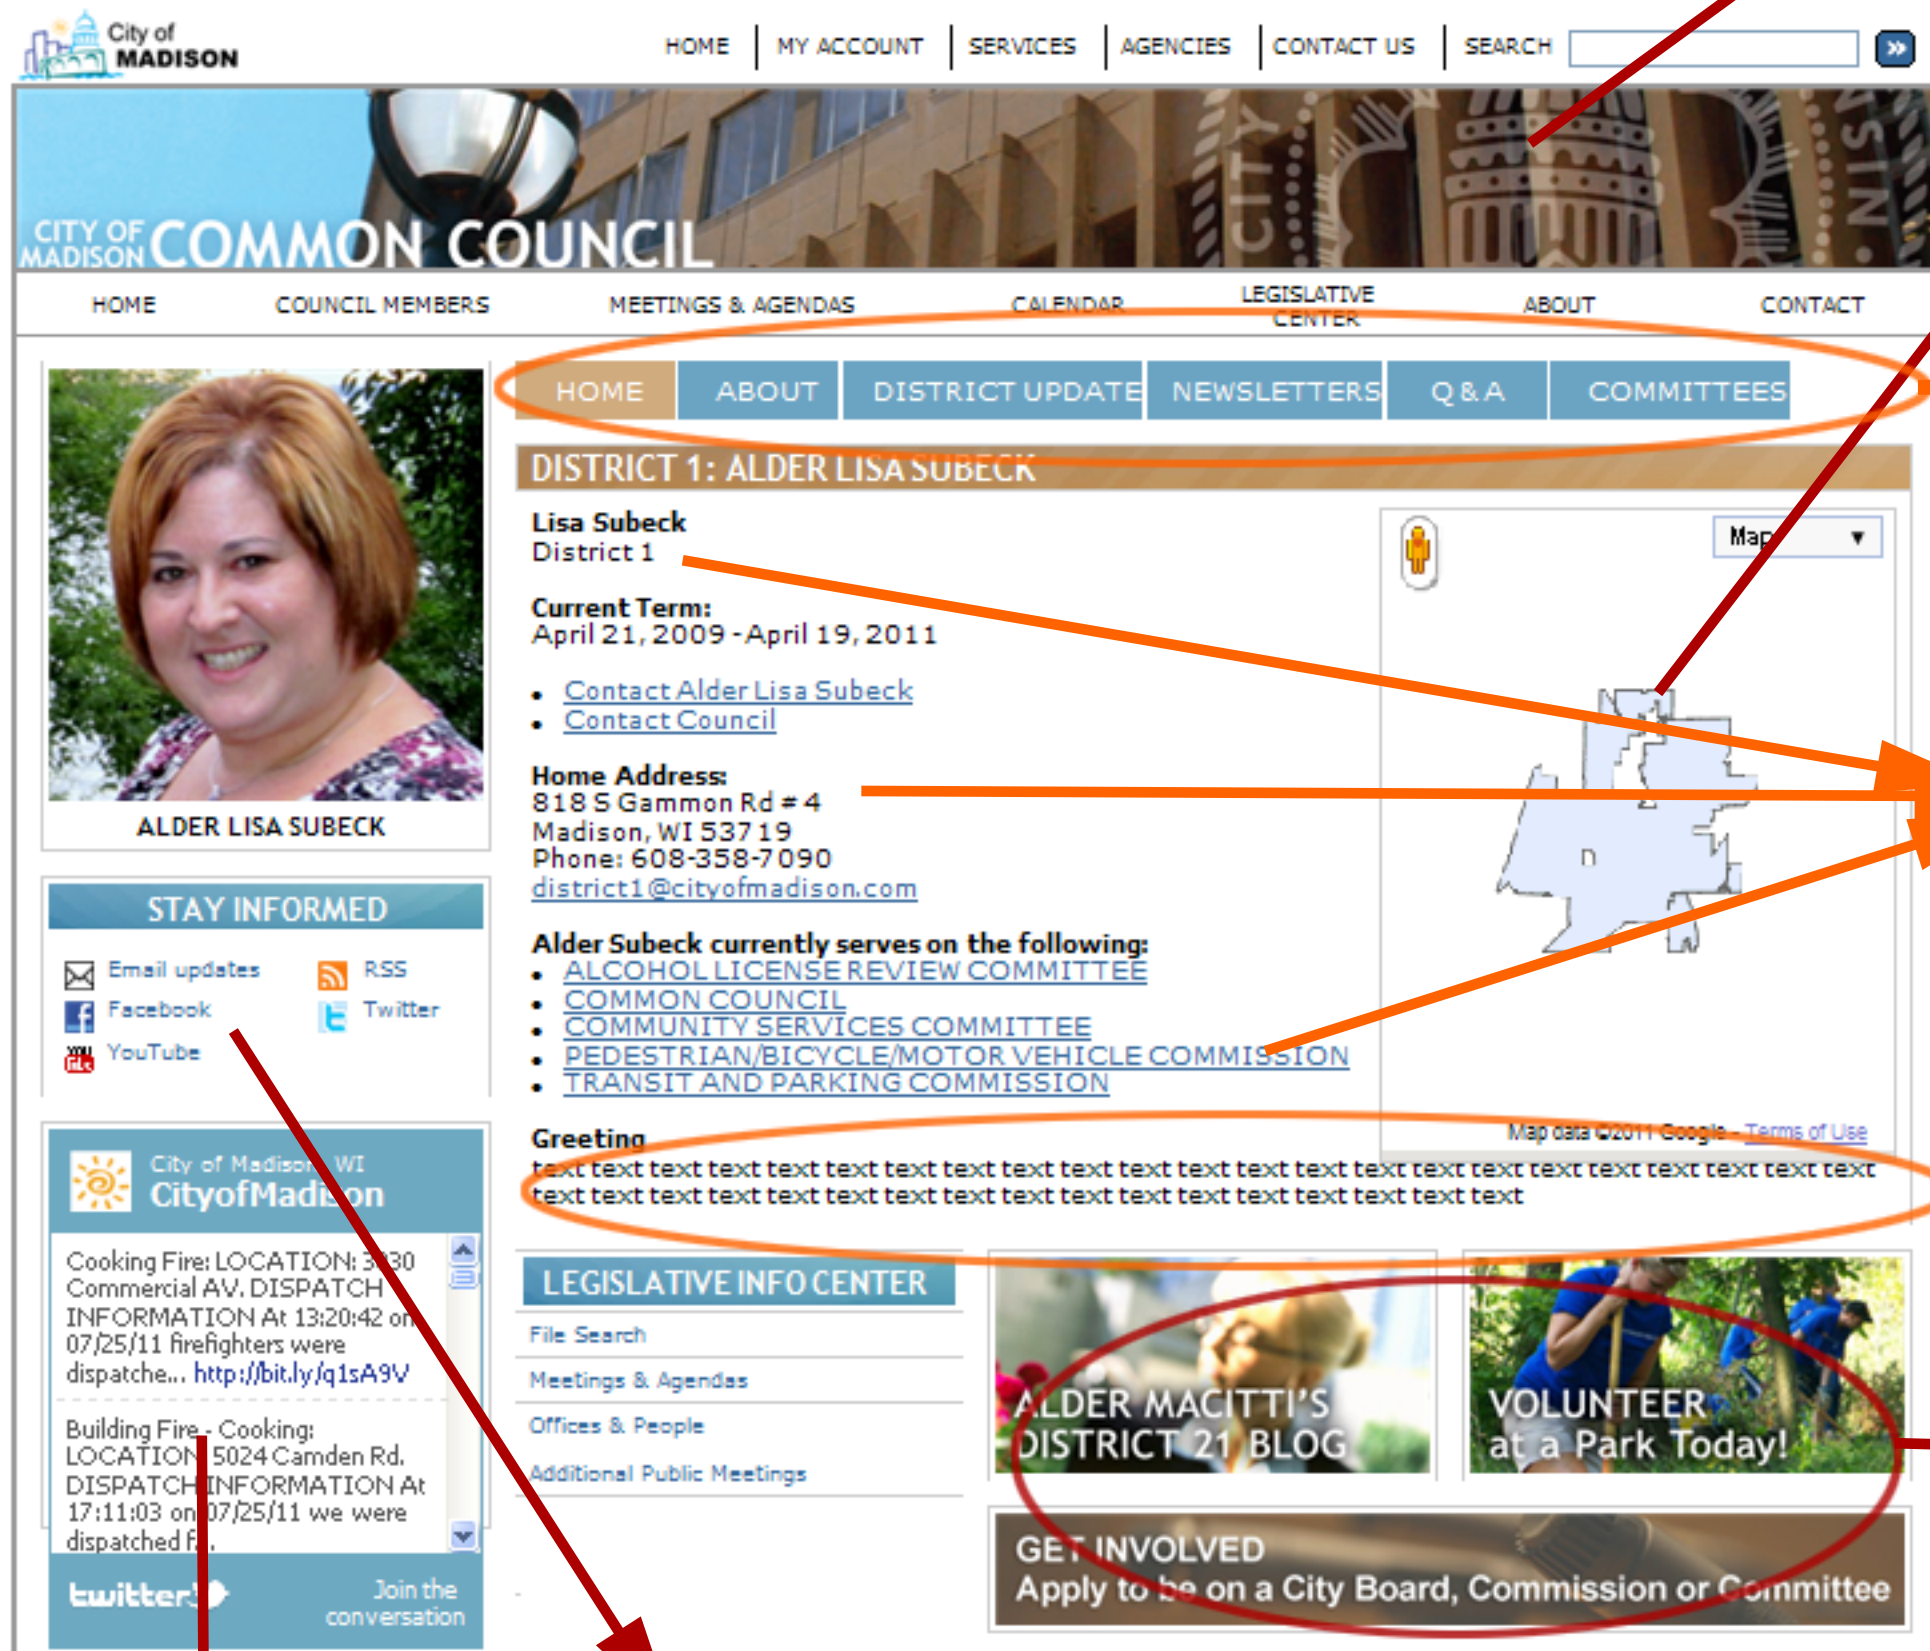

Photo header array We will need a list of 3 favorite places for each district.

Google interactive map will be of each district.

Alder will be able to select 5 options. The "Committees" and "Home" tab will be a standard.

- Alder options:
- 1.) Bio
 - 2.) Newsletter
 - 3.) Blog
 - 4.) Q&A
 - 5.) Calendar
 - 6.) My District
 - 7.) Media
 - 8.) Legislation
 - 9.) Updates

Information is automatically pulling from Legistar.

Optional choice

City promos: Cafeteria plan of promos for alders to choose to have on pages in various pre-determined locations.

Social Media is optional as is email lists.

If you choose to have a Twitter feed, will be able to integrate into the site.

Tom Solyst, Executive Director
1917 Lake Point Drive
Madison, WI 537 13

MY DISTRICT

This is a snap shot of the type of information that can be provided on the individual My District pages. Alders will be able to choose subject matters that they are interested in providing within their My District section. The goal is to pull as much information as possible from various city databases so the information does not need to be updated manually.

As we re-build other city sites, there will be more access to other data that can be added to My District.

Each alder will select what resources they want on their My District page.

Each alder will be able to choose from a list of promos related to city projects or applications for their My District page.

RESOURCES

- Report a Problem
- Community Centers
- Farmers' Markets in Madison
- Look-up Construction in Your Neighborhood
- People for Parks Program
- New Garden Fund
- Green Madison
- Neighborhood Indicators

CAMP RANDALL: THIS ONLY A DRILL

July 15, 2011 8:51 AM

Preface: Members of the Madison City Council are contacted by constituents on just about everything and anything. This includes noise complaints, water outages, pet control, and weather changes. It's been one of the many delights of being alder! Although, improved awareness may help elevate a few telephone calls this Saturday morning.

Email from Todd Nelson, Assistant AD for Event Operations

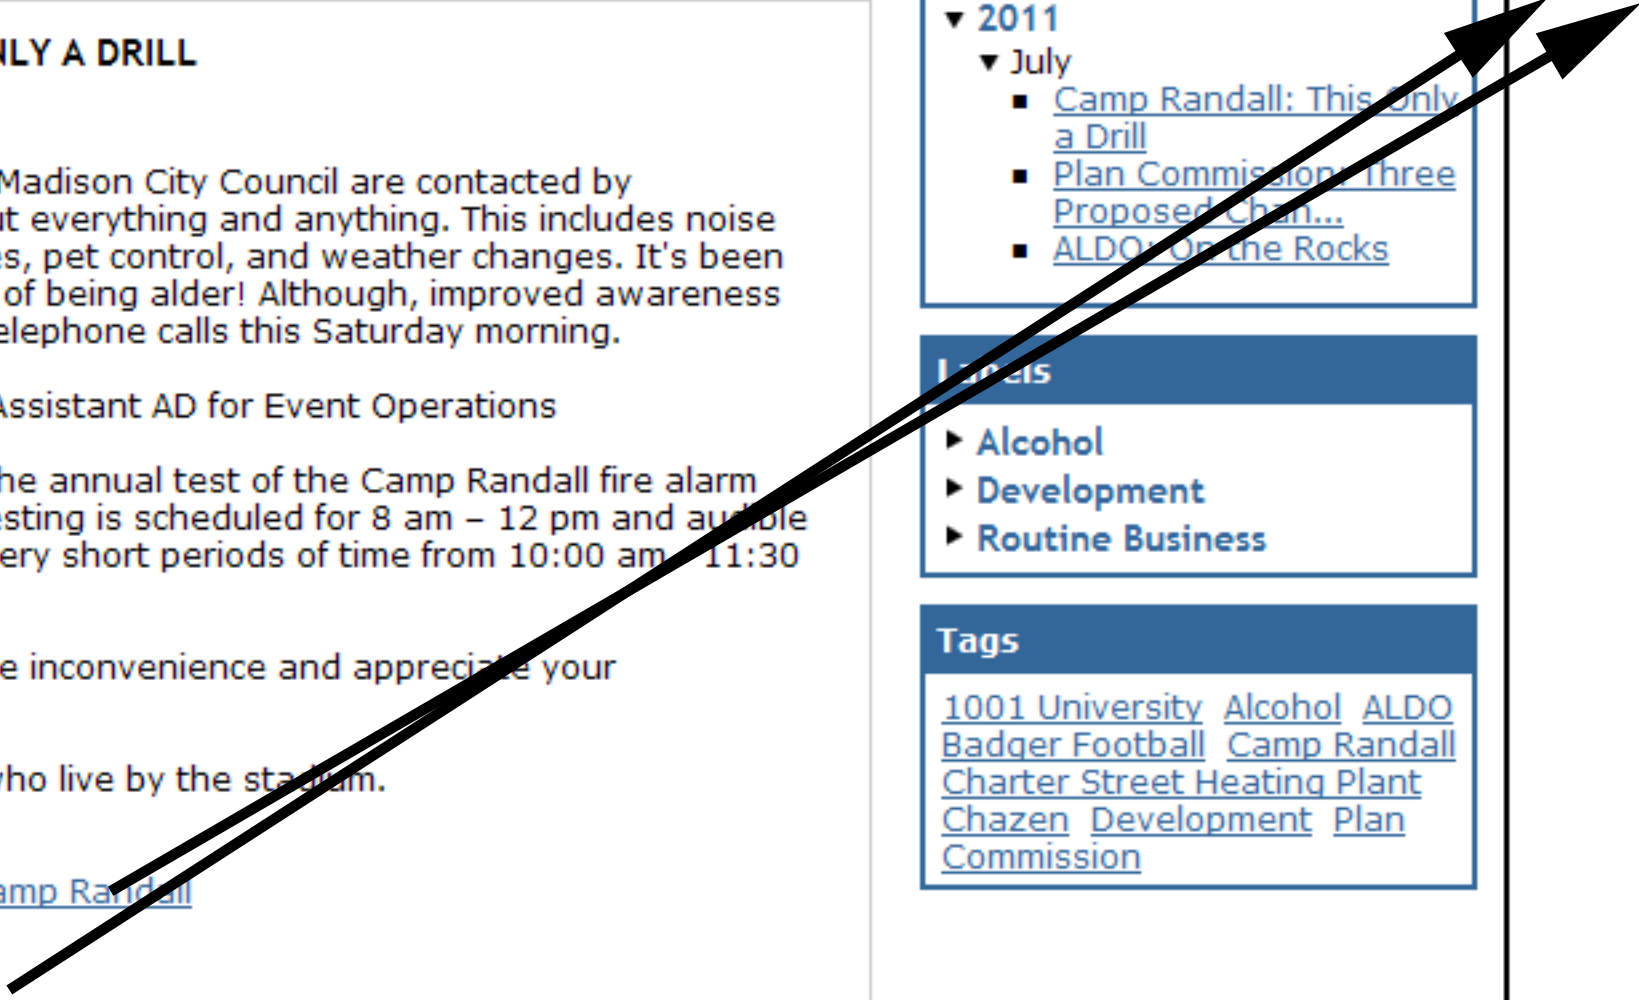

"On Saturday July 16th, the annual test of the Camp Randall fire alarm system will take place. Testing is scheduled for 8 am – 12 pm and audible alarms may be used for very short periods of time from 10:00 am – 11:30 am.

Certainly apologize for the inconvenience and appreciate your understanding."

Share with your friends who live by the stadium.
