RE: Approval of an amendment to the TR-P (Traditional Residential–Planned District) Master Plan for the Village at Autumn Lake subdivision and approval of the preliminary plat and final plat of *Village at Autumn Lake Replat No. 7*, replatting 30 single-family lots into 17 single-family lots and 20 lots for 10 two-family twin homes (Matt Brink, VAL, LLC, dba Veridian Homes). [ID 79553 & 79554; LNDSP-2023-00007]

Dear Brett and Dan;

At its November 7, 2023 meeting, the Common Council **approved** the preliminary plat and final plat of *Village at Autumn Lake Replat No. 7*. On October 30, 2023, the Plan Commission **approved** the amended TR-P master plan for Village at Autumn Lake to reflect the proposed replat. Approval of the amended master plan and replat are subject to the conditions of approval in the following sections, which shall be addressed prior to final approval and recording of the final plat.

Please contact Brenda Stanley of the City Engineering Division at (608) 261-9127 if you have questions regarding the following seven (7) items:

1. The stormwater management plan will need to be reviewed and updated to confirm that the treatment systems implemented are sufficient to accommodate the revised density.
2. Enter into a City / Developer agreement for the required infrastructure improvements. The agreement shall be executed prior to sign off. Allow 4-6 weeks to obtain agreement. Contact the City Engineering Division to schedule the development and approval of the plans and the agreement.
3. The developer shall construct Madison standard street, multi-purpose path, and sidewalk improvements for all streets within the plat.
4. The developer shall construct public sanitary sewer, storm sewer, and drainage improvements as necessary to serve the lots within the plat
5. This development is subject to impact fees for the Felland Road Neighborhood Sanitary Sewer Improvement Impact Fee District. All impact fees are due and payable at the time building permits

are issued. The following note shall put on the face of the plat: "Lots/ buildings within this development are subject to impact fees that are due and payable at the time building permit(s) are issued."

6. Madison Metropolitan Sewerage District (MMSD) connection charges are due and payable prior to City Engineering Division sign-off, unless otherwise collected with a Developer's/ Subdivision Contract. Contact Mark Moder ((608) 261-9250) to obtain the final MMSD billing a minimum of two (2) working days prior to requesting City Engineering signoff.
7. Serve each unit of a two-family twin home by a separate and independent sanitary sewer lateral.

Please contact Jeff Quamme of the City Engineering Division—Mapping Section at (608) 266-4097 if you have any questions regarding the following seventeen (17) items:

8. There are several errors on the letter of intent for Exhibit A, Parcel identification numbers. Review and revise where needed.
9. The existing public utility easements within this replat shall be released by separate document prepared by City Office of Real Estate Services. The releases are required prior to recording of the plat. Acknowledge the release and document number on the face of the plat. Real Estate Project No. 12904 has been set up. Provide the releases from the other utilities prior to the City releasing its rights.
10. The applicant shall coordinate and request from the utility companies serving this area the easements required to serve this development. Those easements shall be properly shown, dimensioned and labeled on the final plat.
11. As required by Ordinance, provide private Easements or private Outlots to accommodate the current USPS required centralized delivery of mail using Cluster Box Units (CBUs). Coordinate the locations of the CBUs with the USPS Development Coordinator, City Engineering and City Traffic Engineering Staff and in accordance with the Policies for Cluster Box Units as adopted by the City of Madison Board of Public Works. CBUs serving this land division will not be permitted within any publicly owned or dedicated lands.

If the Developer is not able to determine the final locations of the CBUs prior to recording the final plat, the final placement of CBUs for each phase of development within this land division shall be determined prior to construction. The locations for each phase shall as required by Ordinance, in accordance with the Policies for Cluster Box Units as adopted by the City of Madison Board of Public Works and in compliance with United States Postal Service requirements.

The required CBU documents shall be recorded prior to the start of construction of the public improvements serving any Lot or Outlot. In the instance of land divisions that do not require the construction of public improvements or a contract with the developer, the required approved CBU documents shall be recorded simultaneously with the final approved land division.

Construct the CBUs in accordance with the specifications approved by the Board of Public Works.

12. Wisconsin Administrative Code A-E 7.08 identifies when Public Land System (PLS) tie sheets must be filed with the Dane County Surveyor's office. The developer's surveyor and/or applicant must submit

copies of required tie sheets or monument condition reports for all monuments, including center of sections of record, used in this survey, to Jeff Quamme, City Engineering (jrquamme@cityofmadison.com). If a new tie sheet is not required under A-E 7.08, Engineering requests a copy of the latest tie sheet on record with Dane County Surveyor's office and shall be attached to a signed and sealed monument condition report. The applicant shall identify monument types on all PLS corners included on the plat. Note: Land tie to two PLS corners required.

13. Remove Document No. 4195255 from Note 1 A., it does not apply to lots within this replat.
14. Correct all of the recording information for the Village of Autumn Lake Replat in the plat headers and in the legal description. The current information noted is for Replat No. 6.
15. Declaration of conditions, covenants and restrictions should be amended after the recording of this plat to add replatted lots and remove obsoleted lots with the replat.
16. Add additional amendments to Note 1 C., Document Nos. 5489906, 5513192, 5621559, 5771197, and 5891491.
17. Correct the section number to 26 on the Location Map.
18. Provide connecting ties between the four areas being re-platted.
19. Add a note that Lots 796 and 797 are subject to Declarations of Conditions and Covenants recorded as Document No. 5897708.
20. Prior to City Engineering Division final sign-off by main office for the plat, the final plat must be submitted to the Engineering Division Surveyor/ Land Records Coordinator for final technical review and approval. This submittal must occur a minimum of two (2) working days prior to final Engineering Division sign-off. Electronic mail submittal of the FINAL plat in PDF form is preferred. Transmit to jrquamme@cityofmadison.com.
21. The applicant shall submit to Jeff Quamme, prior to final Engineering sign-off of the subject plat one (1) digital CADD drawing in a format compatible with AutoCAD. The digital CADD file(s) shall be referenced to the Dane County Coordinate System and shall contain, at minimum, the list of items stated below, each on a separate layer/level name. The line work shall be void of gaps and overlaps and match the final recorded plat: right of way lines (public and private); lot lines; lot numbers; lot/plat dimensions; street names, and; easement lines (including wetland and floodplain boundaries).

*This transmittal is a separate requirement than the required submittals to Engineering Streets Section for design purposes. The Developer/Surveyor shall submit new updated final plat and electronic data for any changes to the plat which occur subsequent to any submittal of data.

Please contact Sean Malloy of the Traffic Engineering Division at (608) 266-5987 if you have any questions regarding the following two (2) items:

22. Prior to final sign-off, the applicant shall work with the Traffic Engineering Division Electrical Section to record the necessary easements for streetlights. Typically, Traffic Engineering requires a 12-foot easement between lots and 6-foot easements on corner lots where streetlights are needed.
23. The applicant shall add a note to the plat stating no driveway shall be constructed that interferes with the orderly operation of the pedestrian walkway. This will require all pedestrian ramps to be constructed separate from driveway entrances; a curb-head of no less than six (6) inches in width shall be constructed between all pedestrian ramps and driveway entrances. This is especially important at 'T' intersections where lot and building layout become critical; to prevent interference with the pedestrian ramp, lots intersecting or adjacent 'T' intersection may require a shared driveway and access.

Please contact Bill Sullivan of the Madison Fire Department at (608) 261-9658 if you have any questions regarding the following item:

24. The Madison Fire Department recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D. An upgrade to include a fire sprinkler system with a cost estimate shall be made available for all initial single- or two-family home sales.

Please contact Jeff Belshaw of the Madison Water Utility at (608) 261-9835 if you have any questions regarding the following two (2) items:

25. The developer shall construct the public water distribution system and services required to serve the proposed subdivision plat per MGO Section 16.23(9)(d)(3).
26. All public water mains and water service laterals shall be installed by a standard City subdivision contract / City- Developer agreement. The applicant shall contact the City Engineering Division to schedule the development of plans and the agreement.

Please contact Kathleen Kane of the Parks Division at (608) 261-9671 if you have any questions regarding the following two (2) items:

27. Park Impact Fees (comprised of the Park-Infrastructure Impact Fee, per MGO Sec. 20.08(2), and Park-Land Impact Fees, per MGO Sec. 16.23(8)(f) and 20.08(6) will be required for all new residential development associated with this project. This development is within the North Park-Infrastructure Impact Fee district. Please reference ID #12118.6 when contacting Parks Division staff about this project. The Parks Division will be required to sign off on this subdivision.
28. The following note should be included on the subdivision: "Lots within this subdivision are subject to impact fees that are due and payable at the time building permit(s) are issued." The Parks Division shall be required to sign off on this subdivision prior to recording.

Please contact Heidi Radlinger of the Office of Real Estate Services at (608) 266-6558 if you have any questions regarding the following nine (9) items:

29. Prior to approval sign-off by the Office of Real Estate Services (“ORES”), all parties having an interest in the property, pursuant to Wis. Stats 236.21(2)(a), shall execute the Owner’s Certificate on the plat. Certificates shall be prepared with the ownership interests consistent with the most recent title report. Signatories shall provide documentation that proves legal authority to sign the Owner’s Certificate. When possible, the executed original hard stock recordable plat shall be presented at the time of ORES approval sign-off. If not possible, the City and the Register of Deeds are now accepting electronic signatures. A PDF of the plat containing electronic signatures shall be provided to ORES prior to obtaining approval sign-off.
30. A certificate of consent for all mortgagees/vendors shall be included following the Owner’s Certificate(s) and executed prior to plat approval sign-off. If the plat is signed electronically, a PDF of the plat containing electronic signatures shall be provided to ORES to obtain approval sign-off.
31. If a mortgage or other financial instrument is reported in record title, but has been satisfied or no longer encumbers the lands or ownership within the plat boundary, a copy of a recorded satisfaction or release document for said instrument shall be provided prior to plat approval sign-off.
32. A Consent of Lessee certificate shall be included on the plat for any tenancy in excess of one year, recorded or unrecorded, and executed by said tenant prior to agency plat approval sign-off.
33. If any portion of the lands within the plat boundary are subject to an Option to Purchase or other Option interest please include a Certificate of Consent for the option holder and executed prior to approval sign-off.
34. The property owner shall pay all real estate taxes that are accrued or delinquent for the subject property prior to plat recording. Receipts are to be provided on or before sign-off and checks are payable to: City of Madison Treasurer; 210 Martin Luther King, Jr. Blvd.; Madison, Wisconsin 53701
35. All special assessments, including accrued interest in the case of delinquencies, shall be paid by the owner prior to plat approval sign off. Receipts for payment shall be provided to ORES in advance of final plat approval sign-off.
36. The owner shall furnish to Andy Miller in the City’s Office of Real Estate Services as well as the surveyor preparing the plat, an updated title report covering the period between the date of the initial title report and the date when sign-off approval is requested. A title commitment may be provided, but will only be considered as supplementary information to the title report update. The surveyor shall update the plat with the most recent information available in the title report update.
37. The Office of Real Estate Services is still reviewing the final plat and title report and may have additional comments to be addressed by the applicant prior to final approval and recording of the plat.

Please contact my office at 261-9632 if you have questions about the following two (2) items:

38. Any revisions to TR-P master plan and related restrictive covenants address the single-family dwelling and two-family twin home types being introduced with the proposed TR-P master plan amendment shall be approved by the Planning Division prior to recording of the final plat.
39. The two-family twin dwellings shall have a joint cross access and maintenance agreement recorded that addresses the shared maintenance of the exterior elements of those units (roof, walls, etc.) consistent with the requirements in Section 28.151 of the Zoning Code.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Any appeal regarding the plat, including the conditions of approval related thereto, must be filed with the Circuit Court within thirty (30) days from the date of this letter. If I may be of any further assistance, please do not hesitate to contact me at 261-9632.

Sincerely,

Timothy M Parks
