RE: 2026 Liquor License Renewal Separations: Momo Bar & Grill, 6402  
Millpond Road  
Plus Entertainment License

Momo's license is being separated due to concerns of overserving resulting in Operating while Intoxicated arrests and dangerous driving behavior (wrong way on Beltline), among other things. Monona Police Chief Brian Chaney reached out to East District Captain Ed Marshall to notify him that his officers were seeing an increase in wrong way intoxicated drivers on the eastbound Beltline. Chief Chaney suspects the circumstances of wrong way intoxicated suggest they involve patrons who have been to specialty dance/club nights held at Momo on the weekends. There are two confirmed such cases and I am checking with Dane County to see if they are aware of any similar incidents since this area is also in part under their jurisdiction.

There have also been intermittent reports of the establishment suspected of being over capacity and regular reports of the establishment offering bottle service. I have communicated with the establishment owner in the past regarding bottle service.

The biggest concern is overserving.
