

BPW Meeting November 19, 2008:

Review of Projects by Engineering Environmental Staff for Impacts to Water Resources

44. **James Madison Park Basketball Court/Parking Lot Renovation**
This project involves grading more than 10,000 square feet on the bank of a navigable waterway way, which will require a Chapter 30 permit from the Department of Natural Resources. Since all grading will total over an acre, it will also require a Notice of Intent permit, also from the DNR.
