MISSION (1) 36, 210) guestions, please contact the City Clerk's Office at (608) 266-4601.

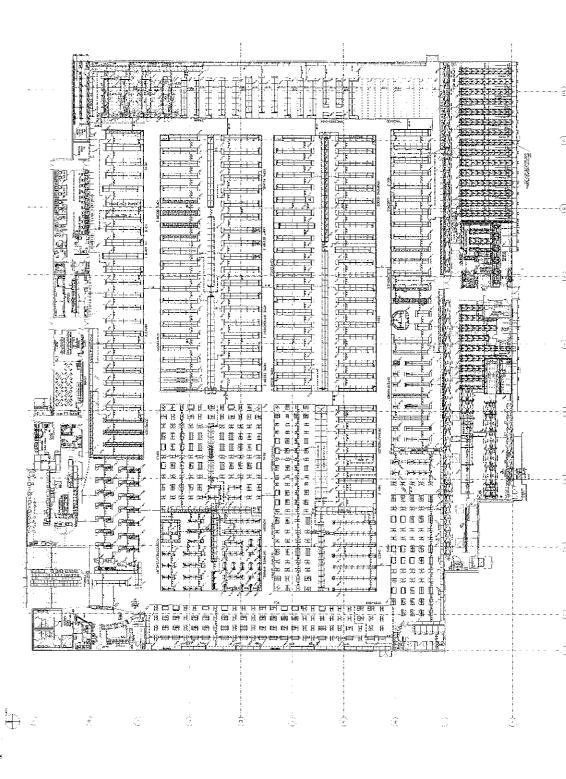

Description of premise:

Of the total square footage of 122,226, 100,292 square feet is for retail sales, 14,152 square feet is for storage, and 55-110 square feet is planned for the display and sale of alcohol. Please see attached plan.

Target Corporation would be applying for package, off – premises liquor license. There will be no bar area, and there is no food being served in connection with the sale of alcohol. Target Corporation prides itself in providing the community with a large variety of products, permitting its guest and neighbors the convenience of "One stop Shopping". The addition of a liquor license will enhance this concept

Target also programs its cashiering system to prompt cashiers to ask for ID when a UPC for alcohol is scanned. The cashier must enter the birth date from the ID for any guest who appears to be under 40 years old. The register accepts the input and indicates whether the sale can go through. If the Village has age restrictions for cashiers, an underage cashier is trained to contact a manager to complete an alcohol sale.
