Hello,

I am writing to express my continued support for adding the multi-use path and removing left turn lanes for the Hammersley resurfacing project. While I had to adjust how I get to Whitney Way north from the neighborhood by car, the change does not really impact me as a driver. I believe the proposed changes would allow for increased bike/walking on Hammersley and better connect the Prairie Hills/Greentree/Orchard Ridge neighborhoods to the major bike/pedestrian paths.

Thank you for your efforts in bringing this project forward.
