Mr. Verbick,

I'm sending this email as documentation to support Eiji Shirai's request for an extension.

His Sakura Sushi & Hibachi restaurant has not opened yet, however, he is nearly ready for his pre-inspection from PHMDC to release the Health hold on his Food & Drink license (LICFDD-2018-00739). They still need to complete any remaining construction activities, final cleaning, and ensure all equipment is in operating condition. Depending on his contractor, they may or may not be ready for the pre-inspection this week.
