Subject: Draft Food Cart Review Survey Questions

The following memo outlines draft survey questions to be used upon completion of the 2014 Food Cart Review. A separate survey, as delineated below, would be sent to all food cart owners and food cart reviewers who participated in the Food Cart Review. The survey will likely be emailed in a Survey Monkey format, with an option for individuals to complete and submit a "paper" version of the survey. If requested, the City will make the survey available in additional languages. The survey will be anonymous. Street vending staff will look for guidance from the Vending Oversight Committee about proceeding with this survey, and the specific survey questions, at the September 24th VOC meeting.
